

April 4,-2025

Hello families and community members,

We understand that many of you may have heard about the recent staff reductions within the Department of Health and Human Services, which have also impacted our Region X office in Seattle which provides oversight for KFHS. The attached letter provides more detailed information on how these changes affect Klamath Family Head Start. Despite these reductions, we want to reassure everyone that we remain open and committed to providing services for children and families in Klamath and Lake Counties.

Klamath Family Head Start is currently in full swing planning for our 2025-2026 school year and taking applications. Please visit our website kfheadstart.org to begin the application process.

Your support and understanding during this time are greatly appreciated.

Sincerely,

Sylvia Cox
Executive Director

Melinda Gomez
Early Head Start Director

Jessica McAuliffe
Assistant Director
