JUNE 2021 EDITION

SUMMER FOODS KICK-OFF

Tuesday, June 29th, 2021

11:30 AM - 12:30 PM

Mills- Kiwanis Park

Join us in our annual walk through Summer Food Kick-Off event where we will have partners handing out fun goodies for the kids, information for the parents and free food!

CHA will also be providing COVID-19 shots to those eligible, as well as booster immunizations. If you get either shot there is incentives for OHP card holders to earn gift cards!

ONE MORE THING...

We have been operating our Summer Lunch Program since March 30, 2020, a normally 10-week summer program, and will continue until September 30, 2021, unless things change, and we continue into the school year again. We have delivered over 140,000 lunches and snacks to youth that have needed the help to get by, partly due to the effects of the COVID 19. This is just one of the ways that IYS has served youth that, due to no fault of their own, have been affected by the pandemic. Owing to IYS' mission, we will continue, along with your help, to identify service gaps and develop innovative solutions that provide supports to our youth.

PROGRAM UPDATES

SUMMER FOOD PROGRAM

The 2021 Summer Food Program sites will begin June 15th. There are 24 sites spread across rural communities, such as Bly, Sprague River, Bonanza, Keno and Chiloquin, as well as sites in both the city district and county.

Distribution includes 7 days worth of Grab & Go meals, Tuesday to Friday. SFSP is intended for youth ages 1-18 years old, and follows CDC guidelines.

To learn more about our site times, and get children connected to meals, visit our website at integrallyouthservices.org/summer-lunch

IYS NUTRITION HUB: BUDDY READING

June 25th - August 27th, IYS will be hosting a Summer Buddy Reading program at the Nutrition Hub on Fridays from 2 PM to 4 PM directly following the SFSP site time.

The program is in both Spanish and English, and is intended to combat summer reading loss. Children will get free snacks, engage in two hours of activities, and receive a free book at the end of each session.

Registration is open until June 18th. If you know anyone who may have an interested child, register now at our website or in person at the Nutrition Hub at 601 East Main St.
